EDUCATION

B.Tech

Inderprastha Engineering college

08/2018 - Present

ghaziabad

Courses

- Computer science and engineering.

Intermediate

Central Board of Secondary Education

04/2017 - 03/2018

78%

Courses

- 12th science

WORK EXPERIENCE

Teaching Assistant

Coding Ninjas

07/2020 - Present

Achievements/Tasks

- Monitored students performance in Data Structures and Algorithm course by providing one on one guidance for queries within the lectures and coding assignments.
- Assisted students in strengthening the conceptual understanding of Data Structures and Algorithms.
- Debugging codes.
